8 x 16 FT V Nose

The image to the right illustrates the hitch assy on the fish house frames. It is a crank down tongue. While the hitch is being cranked down, the receiver stays in the air and the rest of the frame lowers to the ice. This tongue is equipped with a heavy duty crank jack and a 2 inch coupler for a 2 inch ball.

Model	Description	Max. Load Capacity	Gross Wgt.	Tires	Weight
6.5 x 8	6.5x8 FT V Nose	1820 lbs.	2950 lbs.	ST205/75R15	685 lbs.
